USFWS (National Elk Refuge) – 2014 Noxious Weed Performance Report

Project Goals & Objectives: Teton County Weed and Pest Control District (TCWP) will perform noxious weed treatment, surveys, mapping and biocontrol programs on the National Elk Refuge during the season. The National Elk Refuge is a partner in the Jackson Hole Weed Management Association (JHWMA) and the District will work to include the Refuge in all projects and programs involving the JHWMA. Approximately 100 acres will be treated for State Designated and County Declared Species and 2,500+ acres will be monitored and/or mapped.

Progress Report: All goals and objectives for the National Elk Refuge were met during the 2014 season. The Refuge provided transportation and spray equipment for staff hired by TCWP specifically for NER noxious weed control for the summer. Occasionally, TCWP also provided extra crews and equipment as needed for large scale projects. JHWMA partners, including Grand Teton National Park, Bridger Teton National Forest and TCWP, combined resources for Gros Ventre River and Cheatgrass Program cooperative spray days. Details below.

Regular Program Funds (\$28,000 available)

Program Cost: Labor-\$34,539.61 Herbicide-\$575.12
42.15 Acres of Herbicide Applied

JHWMA Gros Ventre River Spray Days (cooperative spray days donated by JHWMA partners)

Project Funds Spent on Refuge: Labor-\$8,645.00 Herbicide-\$101.31
4.0 Acres of Herbicide Applied

(Total Funds Spent on GVR Corridor across all ownerships: \$32,215.56)

Grand Totals:

Regular Program and Partner Funds Spent on the National Elk Refuge as of 9/18/14.

Labor \$43,184.61

Herbicide \$676.43

Herbicide Applied Acres – 46.15

2014 Noxious Weeds & Pests

State of Wyoming Designated List

1. Field bindweed
2. Canada thistle
3. Leafy spurge
4. Perennial sowthistle
5. Quackgrass
6. Hoary cress (white top)
7. Perennial pepperweed
8. Oxeye daisy
9. Skeletonleaf bursage
10. Russian knapweed
11. Yellow toadflax
12. Dalmatian toadflax
13. Scotch thistle
14. Musk thistle
15. Common burdock
16. Plumeless thistle
17. Dyers woad
18. Houndstongue
19. Spotted knapweed
20. Diffuse knapweed
21. Purple loosestrife
22. Saltcedar
23. Common tansy
24. Common St. Johnswort
25. Russian olive

State of Wyoming Designated Pest List

1. Grasshoppers
2. Mormon Crickets
3. Prairie Dogs
4. Ground Squirrels
5. Mountain Pine Beetle
6. Beet Leafhopper

Teton County Declared List

1. Field scabious
2. Hoary alyssum
3. Black henbane
4. Bull thistle
5. Common mullein
6. Hawkweed, Orange & Yellow
7. Squarrose knapweed
8. Myrtle spurge
9. Common teasel
10. Absinth wormwood
11. Rush skeletonweed
12. Meadow knapweed
13. Cypress spurge
14. Sulfur cinquefoil
15. Yellow starthistle
16. Scentless chamomile
17. Dames Rocket
18. Eurasian watermilfoil
19. Tall buttercup
20. Baby's breath
21. Cheatgrass
22. Water hyacinth
23. Curley-leaf pondweed

Teton County Declared Pest List

1. Mosquito

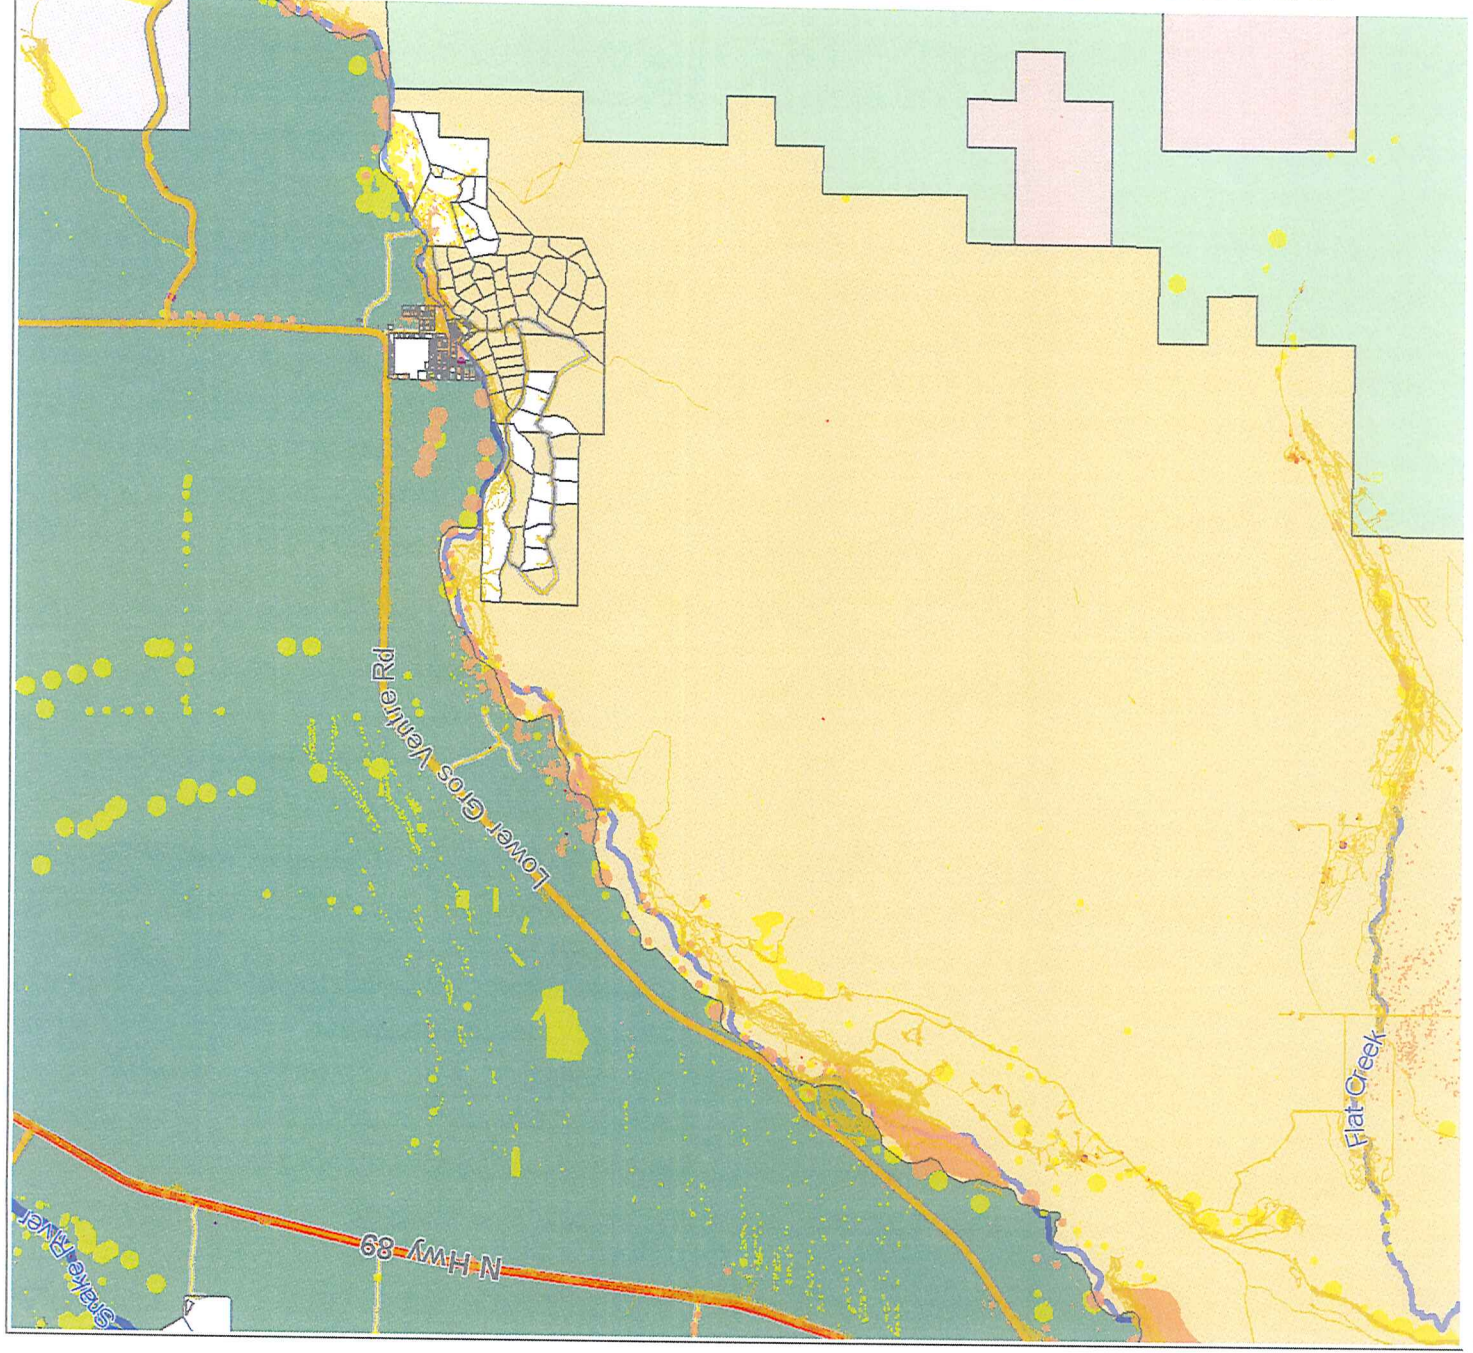

(Follow form instructions)

Standard Form 425 - Revised 10/11/2011
OMB Approval Number: 0348-0061
Expiration Date: 2/28/2015

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB Control Number. The valid OMB control number for this information collection is 0348-0061. Public reporting burden for this collection of information is estimated to average 1.5 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0061), Washington, DC 20503.
